Re: Magna Metals -- Site No. 3-60-003

Dear Rosalie:

This will confirm our conversation of yesterday afternoon wherein I confirmed that ISC Properties, Inc. will be proceeding with the commencement of the Supplemental Remedial Investigation Work Plan. It is my understanding that Mark Sielski has discussed with DEC Project Manager, Sally Dewes, particulars of the commencement of the project. They have tentatively scheduled a meeting at the site for July 16, 2003. Given Ms. Dewes vacation schedule and that she does not return to the office until July 14, 2003, the meeting was not able to be scheduled earlier.

We have further agreed that the actual fieldwork will commence after the meeting and by no later than close of business on Friday, July 25, 2003. We are in the process of obtaining Access Agreements with the current owner of the property, Baker Capital Limited Partnership and the single family homes adjacent to the site. I will advise you should we require any assistance from the Department.
